G 100

G LINE

Meet the G100 – delivering the premium in-cup quality of the Gaggia Milano range in a compact, versatile format. Engineered for every environment, deliver the ideal solution for any location.

Small yet capable, the G100 features a 7-inch touchscreen that puts a menu of specialty drinks at the customers' fingertips: up to 100 cups a day with consistent precision.

And with its adjustable 160 mm dispensing area, every glass, from small takeaway cups to larger mugs, are welcome.

Maintenance stays beautifully simple: instant waste bin removal, with no drip-tray detaching, and a brew group that comes out in seconds. And with an A-class EVA-EMP energy rating, the G100 blends performance with sustainability like no other.
