FRESH MILK, POWERFULL FORCE

G 100

FRESH MILK

The G 100 Fresh Milk – Craft the perfect specialty drinks, thanks to the best in class espresso brew group and PrimeMilk technology for unparalleled fresh-milk smoothness. Its complete and high quality drinks menu makes the G 100 Fresh Milk the ideal solution for any location.

Small yet capable, the G 100 Fresh Milk features a 7-inch touchscreen that puts a menu of specialty drinks at the customers' fingertips: up to 80 cups a day with consistent precision.

And with its adjustable 6.3 in dispensing area, every glass, from small takeaway cups to larger mugs, are welcome.

Maintenance stays beautifully simple: automatic milk cleaning system, instant waste bin removal, no drip-tray detaching, and a brew group that comes out in seconds.

With an A-class EVA-EMP energy rating, the G 100 Fresh Milk blends performance with sustainability like no other.
