

RELIABILITY, REFINED.

G 300

G LINE

The G 300 – a machine that seamlessly blends reliability, ease of use, and an elevated coffee experience with an average daily output of up to 120 cups. Bringing the outstanding quality of Gaggia Milano, it combines proven performance with a refined, contemporary aesthetic.

Designed for demanding environments, the G 300 delivers consistent quality with minimal effort. Its versatile menu combines whole bean, ground coffee, and soluble options, offering a complete beverage range for every preference.

With an intuitive 10" touchscreen and a clean, customizable interface, every interaction feels simple and seamless.

Efficiency is built into every detail: a flexible 160 mm dispensing area adapts to all cup sizes, while accessible components make maintenance quick and easy.

With its compact footprint and A-class EVA-EMP energy rating, the G 300 balances performance with everyday practicality.

GAGGIA
MILANO

HIGHLIGHTS

- True to Gaggia Milano heritage, our **9 bar espresso brew group** delivers outstanding in-cup **quality coffee with a rich, full-bodied aroma**
