GS MasterBrew

Worldwide Excellence

Meet the next-generation superautomatic coffee machine from Gaggia Specialties: GS MasterBrew, the representation of style, functionality and performance.

Engineered for high-traffic environments, it offers a complete coffee solution with a wide range of beverages, including espresso and drip coffee based recipes. Equipped with a patented brew group, high-capacity components, and a user-friendly 12-inch touchscreen interface, the GS MasterBrew combines performance, ease of use, and long-lasting durability.

With its wide and sophisticated drink variety, and thoughtful engineering centered around customer needs and preferences, it embodies everything the Gaggia Specialties line represents.

A sleek aesthetic, seamlessly blending minimalist elegance with exceptional craftsmanship – GS MasterBrew outstanding design has been honored with three prestigious awards: the European Product Design Award 2024, the iF Design Award 2025 and the Red Dot Design Award 2025, celebrating its sophistication on all aspects.
