

I AM TOUCHLESS. TRY ME!

The new way of getting your daily dose of caffeine.

1. **SCAN** the QR code on the brewer screen.

2. **SELECT** your beverage and customize it to your needs.

3. **ENJOY** your drink by scanning the QR code on your phone with the scanner.

... *Do not forget to place your cup!*

Having trouble scanning the QR code?

Try the following:

- Download a QR code reader app.
- Change the angle on your phone.
- Check your signal strength.
- Switch from Wi-Fi to cellular network, or inversely.
