

I AM TOUCHLESS. TRY ME!

The new way of getting your daily dose of caffeine.

1. SCAN the QR code on the brewer screen.

2. SELECT your beverage and customize it to your needs.

3. ENJOY your drink by pressing start on your phone.

... Do not forget to place your cup!

Having trouble scanning the QR code?

Try the following:

- Download a QR code reader app.
- Change the angle on your phone.
- Check your signal strength.
- Switch from Wi-Fi to cellular network, or inversely.
