

AREA

Description

Area is a professional OCS capsule coffee machine which, for its compact size and rigorous but modern style, can adapt to all small and medium locations.

From modern and trendy offices, to showrooms, from professional studies to B&Bs, coffee corners and Café Lounges, Area is a "must have", due to the quality of the brewed beverages and the reliability of its components.

Area is 100% made in Italy, the result of Saeco's constant efforts to attain increasingly high standards. Its chrome finish, the high quality of its materials, the wide and modern user interface with its easy-to-use icons and display are the result of years of experience in the field of professional coffee machines.

Thanks to the backlit icons that ensure an intuitive use of the machine, it is possible to brew up to 8 different direct selection beverages easily.
